AVI20416 Certificate II in Aviation Transport Protection (Checked Baggage Screener)

Modification History

Release 1. This is the first release of this qualification in the AVI Aviation Training Package.

Qualification Description

This qualification provides individuals with technical and non-technical aviation skills to operate effectively in a broad range of aviation security screening roles.

Individuals working at this level will apply knowledge and skills to demonstrate autonomy and limited judgement in structured and stable contexts within narrow parameters.

This qualification forms some of the requirements for certification as an Aviation Screening Officer as directed by the current Aviation Transport Security Regulations.

People seeking certification should check these requirements with the relevant Australian Government department responsible for aviation transport security.

Use for Defence Aviation is to be in accordance with relevant Defence Orders, Instructions, Publications and Regulations.

Occupations may include:

Aviation Screening Officer

Aviation Transport Protection Officer – Checked Baggage Screener.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

A total of **13 units of competency** comprising:

8 core units listed below **plus**

5 general elective units from the general elective units listed below. **Up to 3 of the general elective units** may be selected from any relevant endorsed Training Package or accredited course. The general elective units must contribute to the vocational outcomes of the qualification.

© Commonwealth of Australia, 2016 Transport & Logistics Industry Skills Council

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.

Core units

AVIF2020	Employ fatigue risk management practices in an aviation workplace
AVIG2002	Work effectively in the aviation industry
AVII0002	Provide quality customer service
AVIK2001	Use computers in the aviation screening workplace
AVIO2005	Conduct screening using explosive trace detection
AVIO2010	Screen articles to enter an airside security zone or landside security zone
AVIZ2050	Maintain security awareness and vigilance in an aviation workplace
CPPSEC2001A	Communicate effectively in the security industry

General elective units

AVIC2001	Drive on the airside
AVIE0001	Operate aeronautical radio
AVIE2005	Conduct radio procedures in an aviation operational environment
AVIF0012	Apply aviation work health and safety procedures
AVIF2024	Conduct housekeeping activities
AVIG2003	Work in a socially diverse environment
AVIL2005	Complete routine administrative tasks
AVIL2006	Promote effective workplace practice
AVIO0002	Manage disruptive behaviour and unlawful interference with aviation

© Commonwealth of Australia, 2016 Transport & Logistics Industry Skills Council
