## Qualification Description

This qualification describes the skills and knowledge for entry level workers and support roles within sports turf management. These workers mainly carry out routine and structured tasks under direct supervision, with limited judgement requirements.

This qualification is suitable as a pre-apprenticeship or school based program for introduction to the sports turf management industry.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 8 units of competency:
  - 5 core units plus
