Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- determine priorities based on areas of high significance, the level of risk to sensitive areas, and the potential for revenue generation
- identify projects from the agreed priorities
- develop budgets for projects and apply for funding
- brief and train staff to carry out tasks and projects safely and in accordance with organisation policies, procedures and the management plan
- apply work health and safety policies and procedures to plans and strategies
- apply biosecurity measures to plans and strategies
- apply appropriate sustainability practices to plans and strategies

Knowledge Evidence

The candidate must demonstrate knowledge of:

- park or reserve management approaches
- human resource and financial management
- works and project management practices
- policies applying across all levels of government and within the specific region, including those under catchment plans
- Australian Natural Heritage Charter and the Burra Charter and the interpretation of the charters
- good planning practice and enterprise planning procedures and timelines

Assessment Conditions

Any assessment undertaken on Aboriginal Country must comply with Community protocols and guidelines and be supported by Elders and Custodians of Country.

Assessors must satisfy current standards for RTOs.
