Assessment Requirements for AHCPRK301 Pregnancy test pigs

Release: 1

Assessment Requirements for AHCPRK301 Pregnancy test pigs

Modification History

Release	TP Version	Comment
1	AHCv1.0	Initial release

Performance Evidence

The candidate must be assessed on their ability to integrate and apply the performance requirements of this unit in a workplace setting. Performance must be demonstrated consistently over time and in a suitable range of contexts.

The candidate must provide evidence that they can:

- prepare for pregnancy testing
- carry out pregnancy testing procedures
- carry out post pregnancy testing procedures
- follow work health and safety policies
- follow biosecurity policies
- follow animal welfare policies
- follow environmental policies

Knowledge Evidence

The candidate must demonstrate knowledge of:

- techniques and methods for humane handling and restraint of pigs
- requirements, methods and procedures for pregnancy testing of pigs
- requirements and types of relevant documentation and records
- information required from breeding records for pregnancy testing
- reproductive anatomy, reproductive physiology, pregnancy development and embryological/foetal development in pigs
- types, methods and procedures for pregnancy diagnosis of pigs
- types, handling, use and disposal of cleaning agents and disinfectants , work health and safety and environmental practices for these chemicals
- methods and procedures for hygiene practices during pregnancy diagnosis
- signs of health, signs of ill health, and methods for assessing pig health, welfare and behaviour
- effects and impacts of individual pig health and welfare on herd health status and vice versa
- types and methods of identifying pigs

- requirements, methods and procedures for cleaning work sites
- relevant work health and safety and biosecurity requirements and environmental practices

Assessment Conditions

Competency is to be assessed in the workplace OR workplace and simulated environment that accurately reflects performance in a real workplace setting.

Assessors must satisfy current standards for RTOs.
