Application

This unit describes the skills and knowledge required to shackle and hang an animal on a processing rail after stunning.

This unit is applicable to shackling any species either by the front or hind legs either before or after sticking.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

Pre-requisite Unit

Nil.

Unit Sector
