AMPA3028 Perform midline cuts

Release: 2

AMPA3028 Perform midline cuts

Modification History

Release	TP Version	Comment
2	AMP v2.1	New release to correct prerequisite requirements
1	AMPv2.0	Initial release

Application

This unit describes the skills and knowledge required to perform midline cuts to open and release the hide or pelt from the belly area of a carcass.

This unit is applicable to abattoirs, game processing plants and knackeries.

All work should be carried out to comply with workplace procedures, customer requirements and product specifications.

This unit applies to individuals who work under broad direction and take responsibility for their own work including limited responsibility for the work of others. They provide and communicate solutions to a range of predictable problems.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

Pre-requisite Unit

AMPA3023 Explain opening cuts

AMPX209 Sharpen knives

Unit Sector
