Assessment Requirements for AMPA3101 Overview of the NLIS for sheep and goats

Release: 1

Assessment Requirements for AMPA3101 Overview of the NLIS for sheep and goats

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Performance Evidence

The candidate must work with the mob based National Livestock Identification System (NLIS) for sheep and goats.

The candidate must:

- describe the history of the NLIS and its benefit to industry
- describe the nature and function of a PIC
- describe and interpret the data contained on an NVD
- complete a review of an NVD as received by a meat processor
- identify the various types of NLIS devices for sheep and goats
- identify the various NLIS regulations that apply to producers, saleyards and meat processors
- describe the function of the kill sheet
- explain the role of Post Sale Summaries (PSSs)
- take appropriate steps to minimise workplace health and safety risks when working with livestock

Knowledge Evidence

The candidate must demonstrate a factual, technical, procedural and theoretical knowledge of:

- the NLIS system, including the origin and nature of the system, its commercial importance, role in food safety and importing country requirements, role in traceability
- the fundamental benefits of the NLIS to industry
- NLIS devices including RFIDS and boluses, and their purpose and function in the NLIS
- NLIS regulatory requirements in relation to abattoirs
- the function of NLIS devices
- the purpose of an NVD
- the information contained on an NVD
- the role of Post Sale Summaries (PSSs)
- the function of the kill sheet
- the purpose and types of ear tags for sheep and goats

- the data contained on a National Vendor Declaration
- purpose, nature of and regulations underpinning the use of PICs
- how to deal with problems originating from consignment PIC
- status, abbreviations and what they mean, and the required actions to be taken in response

Assessment Conditions

Assessment must be conducted in the workplace.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
