Assessment Requirements for AMPCOR206 Overview the meat industry

Release: 1

Assessment Requirements for AMPCOR206 Overview the meat industry

Modification History

Release	TP Version	Comment
1	AMPv1.0	Initial release

Performance Evidence

Evidence must demonstrate the candidate's consistency of performance over time.

The candidate must:

- explain employee responsibilities
- explain the flow of product from receipt to sale in own workplace
- follow relevant workplace policies
- identify relevant workplace requirements, policies and procedures and explain their implications for trainees
- list the markets where the company's products are distributed
- name the products produced in own workplace
- outline the path of meat from paddock to plate
- relate to others in an effective and non-discriminatory way
- use relevant communication skills

Knowledge Evidence

The candidate must demonstrate a basic factual, technical and procedural knowledge of:

- dispute resolution procedures in the workplace
- nature and role of work instructions, Standard Operating Procedures (SOPs), explanations and reports
- principles of EEO and policies to prevent sexual harassment
- relevance of WHS and regulatory requirements for meat industry employees
- workplace employment conditions
- enterprise ethical standards and requirements for interacting with other employees and staff
- animal welfare policies and procedures

Assessment Conditions

Competency must be demonstrated utilising actual or representative documentation of policies and procedures.

Three different forms of assessment must be used.

Assessors must satisfy current standards for RTOs.
