Performance Evidence

Evidence must demonstrate the candidate's consistency of performance over time at production speed.

The candidate must:

- select carcase or meat product to customer and workplace requirements
- apply relevant regulatory requirements for slicing
- record and communicate outcomes of carcase or meat product assessment according to workplace requirements
- apply relevant communication and mathematical skills

Knowledge Evidence

The candidate must demonstrate a factual, technical, procedural and theoretical knowledge of:

- methods of assessing carcase or meat product according to specifications
- procedures for interpreting, recording and reporting mathematical and technical information including that found on carcase tickets
- elements of the specification being utilised
- workplace health and safety and hygiene and sanitation requirements in relation to assessing and measuring carcasses or meat product

Assessment Conditions

Competency must be demonstrated over time and under typical operating conditions for the enterprise.

Assessment must occur in the workplace under normal production conditions or in a simulated environment.

The following three forms of assessment must be used:

- demonstration in the workplace or simulated environment
- quiz of underpinning knowledge

- workplace referee or third-party report of performance over time

Assessors must satisfy current standards for RTOs.
