

BSBEDU303 Assist with the provision of international education information

Release: 1

BSBEDU303 Assist with the provision of international education information

Modification History

Release	Comments	
Release 1	This version first released with BSB Business Services Training Package Version 1.0.	

Application

This unit describes the skills and knowledge required to organise, maintain and provide information and material relating to education and training programs and associated services to clients of an international education organisation.

It applies to individuals providing information to clients, with some supervision and guidance, in an international education environment. They could be working in the administration of education programs and projects in organisations from one or more international education sectors (schools, English language training organisations, vocational education and training, higher education, postgraduate education). These organisations could be onshore or offshore, public or private.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Administration - Educational Administration

Elements and Performance Criteria

ELEMENT	PERFORMANCE CRITERIA		
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.		
1 Establish client requirements for information provision	1.1 Apply cross-cultural communication skills while providing and receiving information 1.2 Record and respond to requests for information from internal or external clients, in line with organisational policies and procedures		

Approved Page 2 of 5
