Performance Evidence

Evidence of the ability to:

- develop or critically analyse a policy and procedures framework for recruitment, selection and induction
- identify the need for recruitment
- prepare and oversee appropriate documentation required for recruitment
- select and advise job applicants appropriately
- manage the induction process
- comply with relevant legislation and organisational requirements.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- describe recruitment and selection methods, including assessment centres
- explain the concept of outsourcing
- describe the purpose of employee contracts and industrial relations
- summarise relevant legislation, regulations, standards and codes of practice that may affect recruitment, selection and induction
- explain why terms and conditions of employment are an important aspect of recruitment
- explain the relevance of psychometric and skills testing programs to recruitment.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the workforce development – human resource development field of work and include access to:

- an appropriate range of documentation and resources normally used in the workplace
- relevant organisational policies and procedures
- relevant legislation, regulations and codes of practice
- business technology.

Assessors must satisfy NVR/AQTF assessor requirements.
