CHC42115 Certificate IV in Community Development

Modification History

Release	Comments
Release 1	This version was released in *CHC Community Services Training Package release 2.0* and meets the requirements of the 2012 Standards for Training Packages. Significant changes to core units. Change in packaging rules.

Qualification Description

This qualification reflects the role of community services workers who assist in the delivery of programs that contribute to the development of capacity through public social change processes.

At this level, work takes place within a professional team under the guidance of others, to support development within the community. Work may be undertaken in organisations working across a range of social, health, environment, economic, arts and culture and recreation sectors.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Community Services and Health Industry Skills Council

Packaging Rules
