Assessment Requirements for CHCAOD005 Provide alcohol and other drugs withdrawal services

Release: 1

Assessment Requirements for CHCAOD005 Provide alcohol and other drugs withdrawal services

Modification History

Release	Comments
Release 1	<p>This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>Significant changes to elements and performance criteria. New evidence requirements for assessment, including volume and frequency requirements. Significant change to knowledge evidence.</p>

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- provided withdrawal services according to organisation protocols to 2 clients presenting with different needs

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- legal and ethical considerations (international, national, state/territory, local) in AOD work, and how these are applied in organisations and individual practice:
 - children in the workplace
 - codes of conduct
 - codes of practice
 - discrimination/eligibility
 - dignity of risk
 - duty of care
 - human rights
 - informed consent
 - mandatory reporting
 - practice standards

- privacy, confidentiality and disclosure, including limitations
- policy frameworks
- records management
- rights and responsibilities of workers, employers and clients
- specific AOD legislation
- work role boundaries – responsibilities and limitations
- work health and safety
- organisation protocols for the assessment, monitoring and evaluation of:
 - home-based withdrawal
 - residential withdrawal and any restrictions on clients
 - outpatient withdrawal
- stages of AOD withdrawal and specific signs and symptoms
- responses to the stages of withdrawal
- concurrent medical illnesses which may mimic/mask withdrawal
- support agencies in the AOD sector and the services they provide, including post withdrawal services
- current information on alcohol and other drugs issues relevant to withdrawal, including relapse prevention and planning

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
 - client information
 - withdrawal assessment tools
 - organisation policies and procedures
- modelling of industry operating conditions, including:
 - involvement of people with whom the candidate can interact
 - scenarios that cater to a range of settings, including crisis situations

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
