# **Assessment Requirements for CHCCDE003 Work within a community development framework**

**Release: 1**

# Assessment Requirements for CHCCDE003 Work within a community development framework

## Modification History

Release	Comments
Release 1	<p>This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>Significant changes to performance criteria</p> <p>New evidence requirements for assessment including volume and frequency requirements</p>

## Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- engaged with at least 1 community group in order to develop 1 action plan relevant to community priorities

## Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- relevance of the community development work role and functions to maintaining sustainability of the workplace, including environmental, economic, workforce and social sustainability
- traditional community development approaches:
  - needs-based
  - gap-based
- principles and practices of contemporary community development approaches and techniques for mobilisation in relation to:
  - asset-based (ABCD)
  - rights-based
- impact of current and changing social, political and economic contexts
- strategies for addressing individual differences
- principles and practices of community development work, including:
  - structural disadvantage and inequality

- social justice and human rights
- empowerment
- recognition of personal and public political process
- commitment to peoples' participation
- sustainability

## **Assessment Conditions**

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modelling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
