Application

This unit describes the skills and knowledge required to work within a community development framework.

A community development framework, may include a range of methods designed to strengthen and develop communities by enhancing individual and group capacity to confidently engage with community structures and to address problems and issues.

This unit applies to workers in both health and community sectors and/or a community development work context. Workers at this level will be part of a professional team and under the guidance of a supervisor.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.
