

Assessment Requirements for CHCEDS003 Contribute to student education in all developmental domains

Release: 1

Assessment Requirements for CHCEDS003 Contribute to student education in all developmental domains

Modification History

| Release | Comments |
|-----------|--|
| Release 1 | This version was released in <i>CHC Community Services Training Package release 1.0</i> and meets the requirements of the New Standards for Training Packages. |
| | Significant changes to elements and performance criteria. |
| | New evidence requirements for assessment, including volume and frequency requirements. |

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the following tasks at least once:

- identified the developmental stages within each phase of the current curriculum, including:
 - physical development
 - · emotional and social development
 - cognitive and language development
- implemented strategies appropriate for supporting at least two students with different developmental support needs
- · reported any concerns about children's development to the teacher
- supported an inclusive environment
- performed the activities outlined in the performance criteria of this unit during a period of at least 100 hours within at least one education provider.

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the identified work role.

These include knowledge of:

- relevant education system/school's policies and procedures
- · curriculum and curriculum framework
- cultural and linguistic background of students and families
- broad developmental stages of children/young people in the physical, cognitive, language, social and emotional domains
- strategies to support the stages of development in each domain
- importance of confidentiality as it relates to information about children
- language programs
- materials and resources to support the stages of development in each domain.

Assessment Conditions

Skills must be demonstrated in the workplace.

In addition, simulations and scenarios must be used where the full range of contexts and situations cannot be provided in the workplace or may occur only rarely. These are situations relating to emergency or unplanned procedures where assessment in these circumstances would be unsafe or is impractical.

Simulated assessment environments must simulate the real life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.

Assessment must ensure use of:

the relevant approved learning framework.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
