Significant changes to the elements and performance criteria. New evidence requirements for assessment, including volume and frequency. Significant change to knowledge evidence.</p>

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- developed strategies for networking and collaboration for at least 1 organisation
- worked collaboratively with external individuals or groups in at least 3 different service delivery situations

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- legal and ethical considerations for collaborative practice, including:
 - copyright and intellectual property
 - privacy, confidentiality and disclosure
- principles of networking and collaboration
- different types of networks and collaboration:
 - organisational
 - individual

- virtual
- formal/informal
- benefits of networking and collaboration:
 - for clients
 - for the organisation
 - for the worker
- values, limitations and dynamics of networks and collaborative partnerships
- industry structure and interrelationships between different organisations, both public and private
- established networks in relevant area of work:
 - structure
 - key stakeholders
 - vision and purpose
 - opportunities for participation

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including information relating to peak bodies, network groups and web based network services
- modelling of industry operating conditions, including presence of situations that allow interactions with individuals and organisations

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
