Release 2 This version first released with CPC Construction, Plumbing and Services Training Package Release 5.1.

Typographical error in unit code corrected for clarity.

Release 1 This version first released with CPC Construction, Plumbing and Services Training Package Release 5.0.

Supersedes and is equivalent to CPC30911 Certificate III in Scaffolding.  
Updated to meet the Standards for Training Packages.

## Qualification Description

This qualification reflects the role of individuals working in the area of scaffolding operations in the residential and commercial construction industry.

Occupational titles include scaffolder.

This is a licensed occupation. Users should check requirements with their relevant licensing authority.

The qualification includes units of competency that cover common skills and knowledge for the building and construction industry, as well as those that are more specific to scaffolding work.

Completion of the general construction induction training program, specified in the Safe Work Australia model *Code of Practice: Construction Work*, is required by anyone carrying out construction work. Achievement of *CPCCWHS1001 Prepare to work safely in the construction industry* meets this requirement.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 14 units of competency:
  - 10 core units
  - 4 elective units.

Elective units must be selected as follows:

- 3 units must be selected from the list of elective units below

- 1 unit can be selected from the list of elective units below or from any current training package or accredited course where the unit is packaged in an Australian Qualifications Framework (AQF) Certificate III or Certificate IV qualification that maintains the integrity of the AQF level of this qualification, contributes to a valid, industry-supported vocational outcome, and does not duplicate the outcome of another unit used to achieve this qualification.
