Assessment Requirements for CSCSA005 Contain incidents that jeopardise safety and security

Modification History

Release	Comments
1	These Assessment Requirements were released in CSC Correctional Services Training Package release 1.0 and meet the Standards for Training Packages.

Please refer to the advice in the CSC Assessment Guide.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- assessing risks to safety and security and applying appropriate procedure
- using effective communication techniques to deal with aggressive and uncooperative people
- applying strategies to prevent escalation of incidents
- using security, restraint and first aid equipment
- using surveillance and observation techniques
- recording observations and completing written and oral reports on incidents

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- organisation's policies and procedures related to responding to incidents
- effective communication
- negotiation strategies
- first aid techniques
- principles of cooperative teamwork
- duty of care

Assessment Conditions

This unit contains knowledge which may be assessed off the job, for example, in a structured learning process, and performance outcomes which should be assessed ideally in the workplace in routine activities and in conjunction with other units with specific functional focus.

Valid assessment of this unit requires a workplace environment or one that closely resembles normal work practice and replicates the range of conditions likely to be encountered when containing incidents, including coping with difficulties, irregularities and breakdowns in routine.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
