**Assessment Requirements for CSCSAS018
Plan responses to incidents that jeopardise
safety and security**

Release: 1

Assessment Requirements for CSCSA018 Plan responses to incidents that jeopardise safety and security

Modification History

Release	Comments
1	These Assessment Requirements were released in CSC Correctional Services Training Package release 1.0 and meet the Standards for Training Packages.

Please refer to the advice in the CSC Assessment Guide.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least two occasions.

- researching and analysing developments in security systems and practices
- managing effective outcomes using strategic planning, team leadership and situational analysis
- managing and coordinating a complex team of operational and specialist staff

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- organisation's policies and procedures related to control and surveillance, safety and preventing and responding to incidents
- organisational management and accountability systems
- teamwork principles and strategies
- organisation's culture and values and impact on behaviour and response
- principles of force and reaction to force
- effective communication
- organisation's reporting procedures and practices including environmental and sustainability practices
- guidelines for use of equipment and technology
- duty of care code of conduct
- emergency and response equipment
- management principles

Assessment Conditions

Valid assessment of this unit requires a workplace environment or one that closely resembles normal work practice and replicates the range of conditions likely to be encountered by an individual responsible for planning effective processes for emergency responses to incidents that jeopardise safety and security as part of a coordinated team, including coping with difficulties, irregularities and changes to routine.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
