Assessment Requirements for CUACOS305 Maintain costume continuity

Release: 1

Assessment Requirements for CUACOS305 Maintain costume continuity

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 2.0.

Performance Evidence

Evidence of the ability to:

- interpret scripts when planning and undertaking continuity tasks for productions maintain continuity of performers' costumes and accessories during productions
- produce accurate documentation of costume continuity information
- monitor and maintain condition of costumes for continuity during productions
- take account of continuity issues when arranging costume repairs or alterations
- provide updates about continuity issues to relevant personnel.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- describe protocols in relation to undertaking costume continuity tasks on film shoots or during live productions
- outline roles and responsibilities of production personnel who need to be aware of continuity issues
- describe elements of costumes that require particular attention for continuity purposes
- explain continuity conventions in relation to how aspects of costumes are viewed by audiences or captured on camera
- describe administrative procedures and documentation associated with costume continuity.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- productions requiring a range of costume changes
- basic costume repair kit
- costumes and costume accessories.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
