Performance Evidence

Evidence of the ability to:

- demonstrate high level cultural dance technique in a minimum of two cultural dance styles
- demonstrate correct warm-up and warm-down techniques and follow safe dance practices in teaching activities
- demonstrate highly complex enchaînements, combinations and sentences
- demonstrate musicality, expression, phrasing and correct timing, tempo and sensitivity in movement sequences
- interact effectively and constructively with learners
- evaluate own teaching practice and identify ways to improve it.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

Knowledge Evidence

To complete the unit requirements the individual must:

- in the context of demonstrating dance technique, explain the significance of the following anatomical foundations:
 - articulation of the spine
 - engagement of the feet
 - bases of support, including feet, legs, hands, arms, and torso
 - range of motion of the joints
 - differentiation of the legs and pelvis

- describe:
 - key principles in the Australian Guidelines for Dance Teachers and Dance Industry Code of Ethics
 - geographical origins, social aspects, dance customs, costume and cultural influences of selected dance style
 - cultural dance principles and techniques
 - features of commonly performed cultural dance repertoire
 - graded progress requirements according to dance society levels
 - issues and challenges that arise when teaching cultural dance
 - key aspects of safe dance practice
 - protocols associated with teaching dance.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- teaching resources and equipment
- opportunities for teaching high level cultural dance in either a real or simulated situation
- a venue with adequate space and appropriate flooring.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
