# Assessment Requirements for CUAMPF607 Lead music rehearsals

## Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 2.0.

## Performance Evidence

Evidence of the ability to:

- identify and implement ways to develop own direction skills
- provide musical leadership on at least three occasions, including:
  - discussing and selecting repertoire and program
  - completing required preparations for rehearsals
  - directing performers during rehearsals to achieve performance level required
  - conduct and document post-rehearsal debriefing sessions to improve performances.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

## Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- explain factors that inform choice of repertoire and the development of performance programs
- describe music knowledge, technical skills and communication skills required to organise and direct music rehearsals
- describe issues that typically arise in the context of leading music rehearsals, and explain how they might be overcome
- describe work health and safety (WHS) requirements and procedures in relation to conducting and performing.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- recordings, scores, charts or other written music resources
- rehearsal opportunities and venues
- performers, relevant instruments and equipment.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
