Application

This unit describes the skills and knowledge required to design, apply and remove standard make-up for performers and talent appearing in screen and entertainment industry productions.

It applies to individuals who use their creative skills, working alone or as part of a team, to design make-up that meets production requirements and brings out the subject's best features. Good communication skills are essential since they need to create an environment where others feel at ease.

No licensing, legislative or certification requirements apply to this unit at the time of publication
