**Release 2**

# DEF40317 Certificate IV in Psychological Support

## Modification History

Release 2. Modifications have been made to:

- Packaging rules adjusted to reflect the choice of electives in Group A Specialisation
- Unit HLTDEF001 deleted due to zero enrolment

**Release 1.** This is the first release of this qualification in the DEF Defence Training Package.

## Qualification Description

This qualification allows for the attainment of competencies in psychological support.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Packaging Rules

14 units of competency are required for this qualification comprising:

- 4 core units listed below, plus
- 10 elective units.

Choose a minimum of 7 elective units from the list below, of which 3 units must be taken from Group A and 4 units must be taken from Group B.

Choose the remaining 3 elective units from the elective unit lists below, or elsewhere within this training package, or another endorsed training package, or accredited course.

All elective units chosen from outside this qualification must support learning outcomes of this AQF qualification level.

**Elective units chosen must not duplicate content already covered by other units in this qualification.**

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.
