DEF40917 Certificate IV in Performance Based Contracting

Release 1

DEF40917 Certificate IV in Performance Based Contracting

Modification History

Release 1. This is the first release of this qualification in the DEF Defence Training Package.

Qualification Description

This qualification allows for the attainment of competencies in Performance Based Contracting. No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Packaging Rules

12 units of competency are required for this qualification comprising:

- 5 core units listed below plus
- 7 elective units.

Choose a minimum of 5 elective units from the elective unit list below.

Choose the remaining 2 elective units from the elective unit list below or from elsewhere within this training package, or from another endorsed training package, or from an accredited course.

All elective units chosen from outside this qualification must support the learning outcomes of this AQF qualification level.

Elective units selected must not duplicate content already covered by other units in this qualification.

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.
