Release: 2

DEFGEN005 Develop relationships with other organisations

Modification History

Release 2.0. This is the second release of this unit of competency in the DEF Defence Training Package Release 4.0. Modifications have been made to Foundation Skills and Assessment Conditions.

Release 1.0. This unit was released in DEF Defence Training Package release 1.0 and meets the Standards for Training Packages.

Application

This unit describes the skills required to develop relationships with other organisations by establishing appropriate networks and interacting with them.

This unit was developed for those working in Defence but may be relevant to others who work in this field.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those related to the requirements of Defence doctrine and publications.

Those undertaking this unit would work under indirect supervision, usually as part of a team and would take responsibility for their own work outcomes. They would usually be at an entry level, having completed both their trade training and first level leadership training. They would perform explicit tasks in a range of contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
