Assessment Requirements for FBPSUG1005 Manually clean and maintain housekeeping standards

Release: 1

Assessment Requirements for FBPSUG1005 Manually clean and maintain housekeeping standards

Modification History

Release	Comments
Release 1	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 2.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has manually cleaned and maintained housekeeping standards in line with workplace contexts, and demonstrated each of the following points at least once:

- prepared, used and stored equipment and agents for cleaning tasks
- safely cleaned and sanitised equipment
- recorded cleaning of equipment
- sorted, collected and disposed of waste
- checked that work meets housekeeping standards.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- basic purpose of cleaning, sanitising and housekeeping
- properties and uses of cleaning and sanitising agents
- methods used to make equipment safe to clean, including lock-out, tag-out and isolation procedures
- personal protective equipment (PPE) needed for carrying out required cleaning tasks
- workplace procedures for:
 - safe use of cleaning and sanitising equipment and chemicals, including safety data sheets
 - preparing cleaning and sanitising agents, including consequences of mixing incorrectly and combining incompatible chemicals
 - spill control and recycling or disposal of spilled materials, including environmental responsibilities under environmental legislation
- workplace standards and requirements for:

-
- handling and storage of cleaning agents and equipment
 - cleaning equipment and the work area
 - types of waste generated by the production and the cleaning process and related collection, treatment and disposal requirements.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
 - skills must be demonstrated in a workplace or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - PPE
 - cleaners, sanitisers and related equipment
 - equipment for cleaning
- specifications:
 - workplace procedures for safe work practices
 - equipment specifications
 - waste collection and treatment/disposal procedures
 - housekeeping standards.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
