FNS50722 Diploma of Superannuation

Release 1

FNS50722 Diploma of Superannuation

Modification History

Release	Comments
Release 1	This version first released with the FNS Financial Services Training Package Version 8.0. Supersedes and is not equivalent to FNS50720 Diploma of Superannuation.

Qualification Description

This qualification reflects a range of roles with specialist responsibilities in the superannuation industry. Individuals in these roles have autonomy in performing technical operations, apply solutions to a range of often complex problems, and research, analyse and evaluate information from a variety of sources. They apply initiative to plan, coordinate and evaluate their own work and provide guidance to others.

Licensing, legislative, regulatory or certification considerations

Work functions in the occupational areas where this qualification may be used are subject to regulatory requirements. Refer to the relevant regulator for specific guidance on requirements.

Entry Requirements

Nil

Packaging Rules

Total number of units = 12

2 core units plus

10 elective units, of which:

- at least 4 must be from Group A and/or Group B
- of the remaining elective units:
 - at least 4 must be from any of the elective groups below
 - up to 2 may be from any currently endorsed Certificate IV or above training package qualification or accredited course.

Elective units must be relevant to the work environment and the qualification, maintain the overall integrity of the AQF alignment, not duplicate the outcome of another unit chosen for the qualification, and contribute to a valid industry-supported vocational outcome.
