Assessment Requirements for FSKRDG12

Read and respond to highly complex workplace information

Release: 1

Assessment Requirements for FSKRDG12 Read and respond to highly complex workplace information

Modification History

Release	Comments
Release 1	This streamlined version first released with <i>FSK Foundation Skills Training Package version 1.0</i> .

Performance Evidence

Evidence of the ability to:

- analyse and evaluate information from highly complex workplace texts to complete workplace tasks.

Evidence must be collected using highly complex texts typically found in the workplace.

Note: Where a specific volume and/or frequency is not specified, evidence must be provided at least once.

Knowledge Evidence

Evidence of the following knowledge must be demonstrated:

- purpose and features of highly complex workplace texts
- highly specialised or technical vocabulary relevant to highly complex workplace texts
- reading strategies to analyse and evaluate information from highly complex workplace texts.

Assessment Conditions

Assessment texts and tasks reflect those typically found in the workplace.

Individuals can access a broad range of support resources.

Culturally appropriate processes and techniques suited to the language, literacy and numeracy capacity of individuals and the work being performed must be used.

Reasonable adjustments can be made to ensure equity in assessment for people with disabilities.

Assessors must satisfy NVR/AQTF assessor requirements, have sound knowledge of the ACSF and have demonstrable expertise in the vocational contextualisation and assessment of the core skill - reading.
