FWPFGM3203 Conduct an instrument survey

Release: 1

FWPFGM3203 Conduct an instrument survey

Modification History

Release	Comment
1	Replaces equivalent unit FPIFGM3203B Conduct an instrument survey, which was first released with FPI11 Forest and Forest Products Training Package Version 1. This is the first release of this unit in the new standards format.

Application

This unit of competency describes the outcomes required to plan, monitor and implement an instrument survey for a range of survey purposes. The unit includes evaluation of the survey and reporting of outcomes.

The unit applies to those who conduct instrument surveys in a forest environment.

Licensing, legislative, regulatory, or certification requirements apply to this unit in some states and territories at the time of publication, and may differ according to jurisdiction.

Pre-requisite Unit

Nil

Unit Sector

Forest Growing and Management

Harvesting and Haulage
