HLTCOM408C Use specific health terminology to communicate effectively

HLTHIR301B Communicate and work effectively in health

HLTIN301C Comply with infection control policies and procedures

HLTNE401C Perform electroencephalography (EEG)

HLTNE405C Provide care and maintenance of neurophysiology equipment

HLTOHS300B Contribute to OHS processes

#### **The importance of culturally aware and respectful practice**

All workers undertaking work in health need foundation knowledge to inform their work with Aboriginal and/or Torres Strait Islander clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Health Training Package.

#### **Group A electives - recommended for culturally aware and respectful practice**

Where work involves a specific focus on Aboriginal and/or Torres Strait Islander and/or culturally diverse clients or communities, one or both of the following electives is recommended:

HLTHIR403C Work effectively with culturally diverse clients and co-workers

HLTHIR404D Work effectively with Aboriginal and/or Torres Strait Islander people

#### **Other relevant electives**

Electives are to be selected in line with the specified Packaging Rules. The following sample of relevant electives may facilitate selection. Employers may specify that certain electives are required to address specific workplace needs.

BSBCUS301A      Deliver and monitor a service to customers

BSBINM301A      Organise workplace information

BSBINM401A      Implement workplace information system

BSBINN301A Promote innovation in a team environment

BSBWOR301A      Organise personal work priorities and development

BSBWOR401A      Establish effective workplace relationships

BSBWOR402A      Promote team effectiveness

HLTHIR506C Implement and monitor compliance with legal and ethical requirements
