HLTHIR301C Communicate and work effectively in health

HLTIN301C Comply with infection control policies and procedures

HLTNE401D Perform electroencephalography (EEG)

HLTNE405D Provide care and maintenance of neurophysiology equipment

HLTWHS300A Contribute to WHS processes

The importance of culturally aware and respectful practice

All workers undertaking work in health need foundation knowledge to inform their work with Aboriginal and/or Torres Strait Islander clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Health Training Package.

Group A electives - recommended for culturally aware and respectful practice

Where work involves a specific focus on Aboriginal and/or Torres Strait Islander and/or culturally diverse clients or communities, one or both of the following electives is recommended:

HLTHIR403C Work effectively with culturally diverse clients and co-workers

HLTHIR404D Work effectively with Aboriginal and/or Torres Strait Islander people

Other relevant electives

Electives are to be selected in line with the specified Packaging Rules. The following sample of relevant electives may facilitate selection. Employers may specify that certain electives are required to address specific workplace needs.

BSBCUS301B	Deliver and monitor a service to customers
BSBINM301A	Organise workplace information
BSBINM401A	Implement workplace information system
BSBINN301A	Promote innovation in a team environment
BSBWOR301B	Organise personal work priorities and development
BSBWOR401A	Establish effective workplace relationships
BSBWOR402A	Promote team effectiveness
HLTHIR506C	Implement and monitor compliance with legal and ethical requirements
