HLTSL403C Perform diagnostic sleep study

HLTSL404C Perform treatment sleep study

HLTSL408C Perform home based assessments for sleep studies

Group A elective - required for work in sleep technology

The following unit or a unit with equivalent competency outcomes is required to work in sleep technology.

HLTHIR301B Communicate and work effectively in health

The importance of culturally aware and respectful practice

All workers undertaking work in health need foundation knowledge to inform their work with Aboriginal and/or Torres Strait Islander clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Health Training Package.

Group B electives - recommended for culturally aware and respectful practice

Where work involves a specific focus on Aboriginal and/or Torres Strait Islander and/or culturally diverse clients or communities, one or both of the following electives is recommended:

HLTHIR403C Work effectively with culturally diverse clients and co-workers

HLTHIR404D Work effectively with Aboriginal and/or Torres Strait Islander people

Other relevant electives

Electives are to be selected in line with the specified Packaging Rules. Employers may specify that certain electives are required to address identified workplace needs.

The following list of electives may facilitate selection.

BSBCUS301A Deliver and monitor a service to customers

BSBFLM303C Contribute to effective workplace relationships
