Application

This unit describes the skills and knowledge required to typeset text in various sizes and shapes and images, position typographic images correctly, and proof them for errors.

It applies to skilled individuals working as pre-press tradespeople in the printing and graphic arts industry who design and prepare layouts and artwork, manipulate images and text, and apply solutions to a defined range of problems. They may also provide some leadership and guidance to others with some limited responsibility for the output of others.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
