MEM10222 Certificate I in Boating Services

Release 1

MEM10222 Certificate I in Boating Services

Modification History

Release 1. Supersedes and is equivalent to MEM10205 Certificate I in Boating Services.

Qualification Description

This qualification defines entry-level skills and knowledge to assist workers entering employment within the boating services industry and includes the ability to work safely on marine craft and follow work procedures to maintain the marine environment.

In some jurisdictions, units in this qualification may relate to licensing or regulatory requirements. Licensing and regulatory information is included in the relevant units of competency.

No licensing, legislative or certification requirements apply to this qualification at the time of publication. Local regulations should be checked.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

The requirement for achievement of the MEM10222 Certificate I in Boating Services is the achievement of competence in seven (7) units of competency made up of:

- all four (4) core units of competency listed below and
- three (3) elective units as described below.

One (1) elective unit may be chosen from other endorsed Training Packages and accredited courses where those units can be applied in a boating services environment and are available for inclusion at Certificate I.

No other descriptor can be used.

Prerequisites

Points associated with prerequisites count towards the total. Units with prerequisite requirements are marked with an asterisk (refer to the individual units for details). All prerequisites are included in the units listed.

Core units of competency

Unit code	Unit title	Prereq
MEM13015	Work safely and effectively in manufacturing and engineering	
MEM50001	Classify recreational boating technologies and features	*

MEM50002	Work safely on marine craft	*
MEM50003	Follow work procedures to maintain the marine environment	*

Elective units of competency

Unit code	Unit title	Prereq
MEM09002	Interpret technical drawing	*
MEM11010	Operate mobile load shifting equipment	*
MEM11011	Undertake manual handling	*
MEM12023	Perform engineering measurements	*
MEM13003	Work safely with industrial chemicals and materials	*
MEM16006	Organise and communicate information	*
MEM18001	Use hand tools	*
MEM18002	Use power tools/hand held operations	*
MEM50004	Maintain quality of environment by following marina codes	*
MEM50005	Refuel vessels	*
MEM50006	Check operational capability of marine craft	*
