MSF20213 Certificate II in Furniture Finishing

Release 2

MSF20213 Certificate II in Furniture Finishing

Modification History

Release 2 - Imported units updated. Equivalent.

Release 1 - New qualification

Qualification Description

This qualification describes the skills and knowledge required to perform a range of finishing techniques for furniture and covers basic dismantling and assembly of furniture items for surface finishing involving known routines and procedures and some accountability for the quality of outcomes. It involves collaboration with others through members of a group or team.

Meaningful involvement of industry is essential to achieving this qualification outcome and workplace visits and placement to ensure exposure of learners to realistic workplace conditions and employer expectations is required.

There are no specific licences that relate to this qualification. However, depending on the jurisdiction, licensing or regulatory requirements may apply to the use of some units in this qualification. Local regulations should be checked for details.
