MSFFDM4001 Assemble custom furniture

Release: 1

MSFFDM4001 Assemble custom furniture

Modification History

Release 1. Unit code and Application changed. Elements and Performance Criteria changed to active voice. Range of Conditions removed and relevant content moved to Assessment Requirements. Assessment Requirements changed to remove duplication with Performance Criteria. Supersedes and is equivalent to MSFFDT4002 Assemble custom furniture.

Application

This unit describes the skills and knowledge required to assemble custom furniture to production specifications for design, manufacturing or similar operations.

This unit applies to individuals working in a manufacturing or design studio environment who participate in the assembly of custom furniture, either alone or as part of an internal or external team.

No licensing or legislative or certification requirements apply to this unit at the time of publication. Relevant legislation, industry standards and codes of practice within Australia must be applied.

Competency Field

Workshop practice
