

**Australian Government**

# **MSFSS00007 Furniture Products Compliance**

**Release 1**

# **MSFSS00007 Furniture Products Compliance**

## **Modification History**

Release 1. New Skill Set.

## **Description**

This Skill Set has been developed by industry to develop and upskill workers with an understanding of Australian Standards and compliance requirements for the manufacture, distribution, and repair (after care) of fitted and free standing furniture.

## **Pathways Information**

These competencies can provide credit towards relevant Certificate IV qualifications from the MSF Furnishing Training Package.

## **Licensing/Regulatory Information**

No licensing, legislative or certification requirements apply directly to this Skill Set at the time of publication.

## **Skill Set Requirements**

MSFFT4007	Sample, inspect and test products to specifications
MSFSS3003	Resolve quality and compliance issues
MSS402051	Apply quality standards

## **Target Group**

Persons having documented relevant industry experience or completed any Certificate III from the MSF Training Package or other aligned industry training packages and are now required to upskill and to ensure compliance requirements are maintained and monitored to meet Australian standards and client needs.

## **Suggested words for Statement of Attainment**

These competencies from the MSF Training Package meet the minimum industry requirements for the ensuring compliance of fitted furniture to Australian and industry standards.

## **Custom Content Section**

Not applicable.
