MTM20211 Certificate II in Meat Processing (Smallgoods)

Release: 1

MTM20211 Certificate II in Meat Processing (Smallgoods)

Modification History

Not Applicable

Description

This qualification covers work activities undertaken by workers undertaking work in smallgoods establishments. It is not appropriate for use as a pre-vocational qualification or for inclusion as a VET in Schools program unless there is opportunity for a sustained period of work placement in a smallgoods enterprise. A substantial component of this qualification must be assessed on the job.

Job roles

Job role titles covered by this qualification may include:

- smallgoods labourer
- smallgoods operator.
-

Pathways Information

Pathways into the qualification

Pathways into the qualification may be:

- direct entry without prior work experience
- after completion of MTM10111 Certificate I in Meat Processing (Smallgoods)
- through Recognition of Prior Learning
- through a school vocational studies program combined with work experience.

This qualification is suited to Australian Apprenticeship pathways.

Pathways from the qualification

After achieving this qualification, candidates may undertake:

- any other Certificate II in Meat Processing qualification, with credit for applicable units successfully completed
- MTM30911 Certificate III in Meat Processing (Smallgoods - General)
- MTM31011 Certificate III in Meat Processing (Smallgoods - Manufacture)
- MTM30211 Certificate III in Meat Processing (Food Services).
-

Licensing/Regulatory Information

Licensing, legislative, regulatory or certification considerations

Units of competency in this qualification do not require a licence or certification.

Entry Requirements

Not Applicable

Employability Skills Summary

EMPLOYABILITY SKILLS QUALIFICATION SUMMARY

The following table contains a summary of the Employability Skills required by the meat industry for this qualification. The Employability Skills facets described here are broad industry requirements that may vary depending on qualification packaging options.

Due to the high proportion of electives required by this qualification, the industry/enterprise requirements described for each Employability Skill are representative of the meat industry in general and may not reflect specific job roles. Learning and assessment strategies for this qualification should be based on the requirements of the units of competency for this qualification.

Employability Skill	Industry/enterprise requirements for this qualification include:
Communication	<ul style="list-style-type: none"> • listening and carrying out instructions • speaking clearly and directly with other personnel • using mathematical skills related to areas such as time, weights and portion size

Packaging Rules

Packaging Rules

Complete sixteen units of competency in total.

- complete all five core units of competency
- complete eleven elective units of competency, made up of:
 - three units of competency from Group A
 - eight units of competency from Group B.

Two elective units may be selected from any Certificate II qualification in this Training Package, or any other Training Package or accredited course. Units selected must be relevant to smallgoods processing and must not duplicate any unit already contained in the qualification.

Qualification structure

Core units			
MTMCOR202A	Apply hygiene and sanitation practices	MTMCOR205A	Communicate in the workplace
MTMCOR203A	Apply Quality Assurance practices	MTMCOR206A	Overview the meat industry
MTMCOR204A	Follow safe work policies and procedures		
Elective units			
Group A			
MTMPS201C	Clean work area during operations	FDFOP2061A	Use numerical applications in the workplace
MTMS101C	Handle materials and products	HLTFA301B	Apply first aid
MTMS102C	Pack smallgoods product		
Group B			
MTMPSR203A	Sharpen knives	MTMS212B	Manually link and tie product

MTMPS300A	Assess product in chillers	MTMS213B	Slice product using simple machinery
MTMP2054C	Inspect hindquarter and remove contamination	MTMS214C	Rotate stored meat
MTMP2055C	Inspect forequarter and remove contamination	MTMS215B	Rotate meat product
MTMP2133C	Store carcase product	MTMS216B	Inspect carton meat
MTMP2134C	Store carton product	MTMS217A	Prepare dry ingredients
MTMP2197C	Clean after operations - boning room	MTMS218B	Measure and calculate routine workplace data
MTMPS203C	Operate scales and semi-automatic labelling machinery	MTMSR201C	Prepare and slice meat cuts
MTMPS205C	Clean chillers	MTMSR202C	Trim meat to specifications
MTMPS206C	Operate a forklift in a specific workplace	MTMSR203C	Package product using automatic packing and labelling equipment
MTMPSR201C	Vacuum pack product	MTMSR204C	Despatch meat product
MTMS205C	Package product using thermoform process	FDFOF2007A	Work in a freezer storage area
MTMS206C	Package product using gas flushing process	FDFOF2010A	Work with temperature controlled stock

MTMS207C	Operate bar and coder systems	MSL922001A	Record and present data
MTMS208C	Operate metal detection unit	PRMCL38A	Clean a food handling area
MTMS210B	Select/identify and prepare casings	TLID2013A	Move materials mechanically using automated equipment
MTMS211B	Manually shape and form product		

Units with prerequisite units

The following units from this qualification contain prerequisite units.

Unit	Prerequisite
MTMP2054C Inspect hindquarter and remove contamination	MTMPSR203A Sharpen knives
MTMP2055C Inspect forequarter and remove contamination	MTMPSR203A Sharpen knives
MTMSR201C Prepare and slice meat cuts	MTMPSR203A Sharpen knives
MTMSR202C Trim meat to specifications	MTMPSR203A Sharpen knives
MTMS212B Manually link and tie product	MTMPSR203A Sharpen knives
