**POL60419 Advanced Diploma of Police
Search and Rescue Management**

Release: 1

POL60419 Advanced Diploma of Police Search and Rescue Management

Modification History

Release 1. This is the first release of this qualification in the POL Police Training Package.

Qualification Description

The public safety industry operates through discrete sectors. Policing qualifications have been developed to set agreed minimum standards for police personnel that should be contextualised within the specifics of each police jurisdiction/agency/organisation's policies and procedures.

This qualification allows for the attainment of general skills in police search and rescue management. The qualification covers skills that allow police staff to employ broad knowledge and highly skilled practice in managing in search and rescue operations within a police environment.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Not applicable.
