Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- evaluating exhibits to determine examination requirements, including sequence and priority
- handling exhibits to preserve continuity of evidence
- using jurisdictional information management systems
- communicating with stakeholders to facilitate and ensure relevance of examinations
- coordinating logistics of examination with other forensic practitioners

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- jurisdictional legislation, policies and procedures relating to forensic examination, workplace health and safety, quality systems and exhibit management and handling
- role and function of forensic discipline specialists in the examination of forensic evidence

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Consideration must be given to holistic assessment for this unit. Refer to advice in the companion volumes.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
