Assessment Requirements for PSPCRT001 Audio record court proceedings

Release: 1

Assessment Requirements for PSPCRT001 Audio record court proceedings

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- managing a large personal workload
- working under pressure
- meeting required deadlines
- reading and interpreting legislation, regulations and policies
- monitoring proceedings in two or more types of courts
- communicating orally with a diverse range of people
- making clear announcements

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- legislation, regulations, policies, procedures and practice relating to audio/visual recordings of court proceedings
- structure, roles, functions, procedures and protocols of courts
- principles of judicial independence
- public sector legislation, including WHS and environment, in the context of audio and/or visual recording of court proceedings

Assessment Conditions

Assessment of this unit requires evidence gathered over time in a workplace environment or one that closely resembles normal work practice and replicates the diverse conditions likely to be encountered when recording court proceedings.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
