Application

This unit describes the skills required to serve or attempt to serve process, as requested by a court, tribunal, agency or other party. It includes dealing with difficult collection situations, and completing preliminary requirements prior to serving process.

This unit applies to those working within the court system operating under procedures set by the court.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those set by the court.

Those undertaking this unit would generally work independently with occasional supervisory responsibilities. They would perform complex tasks in a range of familiar and unfamiliar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
