Assessment Requirements for PSPGEN079 Undertake strategic financial analysis

Release: 1

Assessment Requirements for PSPGEN079 Undertake strategic financial analysis

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- interpreting organisational information in financial terms
- preparing strategies and reports requiring precision of expression
- financial assessment and evaluation
- applying environmental and work health and safety procedures relating to working in the public sector

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation including work health and safety and environment, policies and processes relating to public sector finance
- strategic planning processes
- undertaking financial evaluation techniques
- alternative resourcing strategies
- forecasting, financial sensitivity testing and cost-benefit analysis

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
