Assessment Requirements for PSPINM009 Monitor and review injury management cases

Assessment Requirements for PSPINM009 Monitor and review injury management cases

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying legislation, regulations and policies relating to injury management
- undertaking case management including facilitating case conferences
- dealing with difficult people
- applying analysis and review
- using communication with a diverse range of people

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation, including work health and safety, and environment
- regulations, policies, procedures and guidelines relating to injury management
- privacy legislation
- procedures to ensure confidentiality and security of information
- public sector management acts
- reporting requirements

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
