Assessment Requirements for PSPINM011 Determine liability and negotiate settlements

Assessment Requirements for PSPINM011 Determine liability and negotiate settlements

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying legislation, regulations and policies relating to determining liability and negotiating settlements
- determining liability and negotiating settlements in the context of injury management
- using communication including negotiation and problem solving with injured workers, their representatives, employers and case coordinators

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation legislation work health and safety and environment, regulations, policies, procedures and guidelines relating to injury management
- case estimate software
- methodology for estimating liability
- risk management in the context of injury management
- delegations
- obligations and options for settlement under the legislation

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
