Assessment Requirements for PSPLND001 Investigate tenure and land use history

Release: 1

Assessment Requirements for PSPLND001 Investigate tenure and land use history

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- finding information in systems, databases and other sources
- researching data repositories, including libraries and archives
- interpreting legislation and instruments
- interpreting tenure documents, correspondence, maps, plans
- reading a gazette
- using microfiche
- producing accurate reports, setting out facts in logical sequence
- making assessments of facts where interpretation is required

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- the organisation's spatial and textual information systems, databases and archival storage/s
- land tenure legislation, tenure types and the effect of these
- maps, plans, title documents and related legal matter
- sources of historical information and how to access them
- public sector legislation, including work health and safety, environment, privacy and diversity

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
