Assessment Requirements for PSPLND012 Review planning documents and environmental assessments

Assessment Requirements for PSPLND012 Review planning documents and environmental assessments

Modification History

Release	Comments
1	These Assessment Requirements were released in PSP Public Sector Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- assessing impacts of development on public land
- interpreting policy and strategies
- interpreting documents, including planing documents, engineering and construction plans, aerial photographs, electronic mapping
- communicating with a diverse range of stakeholders to enable a coordinated response
- preparing a response involving negotiation of an agreed position

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- public sector legislation, including work health and safety and environment, regulations, policies and practices relating to public land administration and land use planning approvals
- legal implications of a development on public land
- risk management
- departmental delegations

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
