	Unit code updated	
	Content and formatting updated to comply with new standards	
	All PC transitioned from passive to active voice	

Application

This unit describes the skills required to conduct generally routine inspections and monitoring in accordance with relevant Acts and regulations. Typically work will be under routine guidance with responsibility for assigned duties. It includes organising inspections and monitoring activities, undertaking routine inspections and monitoring activities, acting on non-compliance and providing reports and information.

This unit applies to those working in public sector roles conducting regulatory activities.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work under supervision, performing routine tasks in a range of mostly familiar contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
